Avalon Medical is a Very Low Cost Access Funded Practice.

We agree to maintain our fees within the fees threshold set by the Ministry of Health.

Certain funding is available based on qualifying criteria of our patients for certain services. Please enquire with your Health Provider to see if you meet the qualifying criteria set by the Ministry of Health.

For Avalon Medical enrolled patients who attend for a standard GP consultation with no additional services:

- Zero fees for children 0-12 years
- \$12.00 maximum for children 13-17 years
- \$18.00 maximum for adults 18 years and over

This list is not exhaustive of all services available. Please enquire regarding other services not listed above.

AVALON MEDICAL FEES POLICY:

All fees are to be paid at the time of your consultation or otherwise by negotiation with the Practice Manager only. Overdue accounts will incur an administration fee. Non-payment will lead to action to recover fees or refusal to grant services except in the case of an emergency. Please enquire as to payment options available.
